

Community Fund Priorities

Salina Area United Way funds programs and services provided by our Partner Agencies that address our community's greatest needs. These funds are determined by a broad spectrum of citizens who serve on our United Priority Councils.

Preparing for Life

In our community, people work together so children and youth succeed. From guidance on healthy choices, to structured out-of-school time, to mentoring relationships, we help youth grow into strong adults.

Rebuilding Lives

Even strong families can have a crisis. When we extend a hand to help those affected by disasters, domestic violence or economic hard times, they get the help they need to live healthy, functional lives.

Providing Basic Needs

Whether it be food and shelter, health care and prescriptions, or mental and physical support, we invest in programs and services that preserve economic stability and quality of life for the whole community.

Building Self Reliance

Access to information and services helps everyone to become self-sufficient. From family support to volunteering, transportation to housing, United Way partners to help each member of the community toward maximum independence and full participation in life.

Live United Giving Club

When you give at least \$120 a year to United Way's Community Fund, local businesses thank you by offering you special discounts! To join the Community Club, simply: 1) Contribute \$120 or more annually, 2) make sure that at least \$120 goes to United Way's Community Fund, and 3) provide your email address so your Community Club discounts can be sent to you online.

Shareholder Giving

Use the convenience of payroll deduction to give a small percentage of your paycheck that will help change many lives through United Way. Share (1% of salary or gross income) and Share Plus (1.25% and above of salary or gross income) levels qualify you for special recognition and promotions - this year, you could win a new Kawasaki Motorcycle! All Shareholders will automatically be entered into a drawing for a 2009 Kawasaki Motorcycle. You can support your community through a gift to United Way and also have a chance to win one of the most popular motorcycles made today! Just fill out your contact information on the front of this pledge form and mark the "Shareholder" gift option of your choice - it could be your lucky day!

*All official entries must be received by an authorized Salina Area United Way (SAUW) representative no later than 4:00 p.m., February 13, 2009. Must be 18 years of age or older to participate and not an employee, office or director of any United Way or an immediate family member of any such person. One entry will be provided per person, but the odds of winning cannot be determined because they depend upon the number of qualified entries. SAUW requests a donation of at least 1% of your annual salary to benefit its charitable purposes. Donations are encouraged, but not necessary to win. As a Shareholder donor, this form serves as your official entry. For the complete and official sweepstakes rules and instructions on how to obtain a free entry, visit www.unitedwaysalina.org. Five semi-finalists will be chosen in advance by a random drawing, and the winner will be announced at the grand prize drawing to be held after the February 13th deadline for entries. Winner is responsible for all taxes, license, and registration fees and related costs on or related to the prize. Need not be present to win. If winner cannot be notified within five days, an alternative winner will be chosen.

Your Gift of...
